

Elmsett Neighbourhood Plan

Meeting of Steering Group – Monday 10th September

1. Timescales

Comments from BDC received last Friday and have no problems with the plan.

Happy with proposed housing numbers – current target is now 60.

Plan to go out to consultation to all statutory bodies in October – consultation period of six weeks.

A 'launch event' will be organised for the village – probably 20th October.

Ian Poole will provide detailed requirements for the consultation.

2. Review of Draft Copy V3

Request to add note to front cover noting that the document was produced by Elmsett PC.

P6 – Error in 1.1.4 and 1.1.7

P7 – Error in 1.20

P8 – Error in 1.23 and 1.24

P9 – Details of the Tithe Memorial to be added

P18 – Needs bullet points from the Household Survey

P22 – Add 'rural' to term village

P23 – Paragraph needs to be removed

P24 – Boundary definition needs to be changed (settlement)

P25 – Needs rewording

P29 – New plan to be substituted

Street lighting

P31 – Error in 8.18

P32 – Rickinghall/Botesdale

P35 – Changes to green spaces

P36 – Village Green

Comment regarding overhead cabling to be undergrounded

3. Stan Coram had attended meeting of the 'Village Hall Committee' earlier that evening. They have decided to proceed with a 'new build' proposal.

4. Ian Poole showed revised version of the drawings showing views around the village. Alan Newman to assist in providing additional images for the document.

5. Alan Newman and Andy Morton will proof read the next version when available.
